(Prof. Alaa Haddad, Cairo University)

12:50-13:10 Ethical and legal issues of human stem cell research  
(Dr. Orio Ikebe, UNESCO, Egypt)

13:10-13:20 Discussion

13:20-13:50 Coffee Break

Plenary Session I (13:50-14:40)

Chairpersons:  
Prof. Mervat El Ansary  
Prof. Samia Rizk  
Prof. Somaya El Gawhary

13:50 – 14:15 Regenerative Medicine : Keystone Principle  
(Prof. Hala Gabr, Cairo University)

14:15-14:40 What makes Thalassemia Research Ethical ?  
(Prof. Azza Saleh, ENREC)
Wednesday 8th May, 2013

Session III : Thalassemia and SCD Associated Morbidity (14:50-16:25)

Chairpersons:
Prof. Amal El-Beshlawy
Prof. Shebl S. Shebl
Prof. Youssria Abdel Rahman
Prof. Hamdy Ghazal

14:50-15:10 Hepatitis C and Thalassemia : Two interrelated Egyptian – Community problems
(Prof. Lamis Ragab, Cairo University)

15:10-15:25 The Heart, the Target organ in Thalassemia- The Egyptian Experience
(Prof. Mona El Tagui, Cairo University)

15:25-15:40 Infection and Immunity in Thalassemia
(Prof. Shebl S. Shebl, Tanta University)

15:40-15:55 Renal tubular dysfunction in hemoglobinopathies
(Prof. Mohamed Badr, Zagazig University)

15:55-16:10 Microparticles : A New link between Vasculopathy and Coagulation disturbances in beta Thalassemia patient
(Prof. Azza Abdel Gawad, Ain Shams University)

16:10-16:25 Impact of Circulating Erythrocyte- derived microparticles on Coagulation activation in sickle cell disease
(Prof. Rania Zayed, Cairo University)
Wednesday 8th May, 2013

Session IV : Blood Components Transfusion What's New?  
16:30-17:40

Chairpersons:

Prof. Mohamed Badr  
Prof. Magdy El-Ekiaby  
Prof. Ilham Youssry  
Prof. Nabila Thabet

16:30-16:50  
Long term transfusion in Thalassemia and SCD  
(Dr. Will Andrew, UK)

16:50-17:05  
Prevention of disease complications in Hemophilia  
(Consult . Magdy El-Ekiaby, Egypt)

17:05-17:25  
Over view on the management of Hemophilia and Thalassemia patients in Misr Children School insurance Hospital  
(Consult . Naglaa Shabin, Institute of School Health Insurance )

17:25-17:40  
Blood Components safety  
(Consult . Magdy El-Ekiaby, Egypt)

17:40-18:00  
LUNCH TOGETHER
Thursday 9th May, 2013

Session V: New Era in the Diagnosis of Hemoglobinopathies (09:30-10:25)

Chairpersons:

Prof. Azza Moustafa
Prof. Eman Mansour
Prof. Nabih Fadaly

09:30-09:50 HPLC : A Problem solving tool in Hemoglobinopathies
(Prof. Azza Moustafa & Eman Mansour, Cairo University)

09:50-10:15 Moving to a capillary electrophoresis platform: Assessing the role in hemoglobinopathies
(Prof. Moustafa Rizk, Alexandria University)

10:15-10:25 Discussion

Plenary Session II (10:30-11:15)

Chairpersons:

Prof. Nadia Nour
Prof. Eman Abdel Raouf
Prof. Khaled Salama

10:30-10:55 The Experience of the Cure 2 children foundation in the Thalassemia prevention
(Dr. Lawrence Faulkner, Italy)

10:55-11:15 Red blood cell and ferro-kinetic status among pregnant Egyptian women
(Prof. Mervat Mattar, Cairo University)
Thursday 9th May, 2013

Session VI : Fetal Medicine (11:20-12:20)

Chairpersons:
Prof. Azza Abdel Gawad
Prof. Ahmed Mansour
Prof. Layla Sherif

(Prof. Somaya El-Gawhary, Fayoum University)

12:20-12:50 Coffee Break

Session VII: Endocrine Disorders in Thalassemia (12:50-14:45)

Chairpersons
Prof. Mohamed El-Kholy
Prof. Ashraf Soliman
Prof. Lobna Fawaz

12:50-13:10 Growth disorders in Thalassemia
(Prof. Ashraf Soliman, UAE, Alexandria University)

13:10-13:35 Thyroid Dysfunction in adult patients with B- Thalassemia
(Prof. Alya Abdel Aziz, Cairo University)

(Prof. Ashraf Soliman, UAE, Alexandria University)

13:55-14:10 Bone disease in Thalassemia
(Prof. Heba El Sedfy, Ain Shams University)

14:10-14:35 Guidelines for treatment of endocrine complications
(Prof. Mohamed El-Kholy, Ain Shams University)

14:35-14:45 Discussion
Thursday 9th May, 2013

Session VIII: Interactive Session (14:45-15:45)

Chairpersons:

Prof. Mona El-Kassas
Prof. Mohamed Maebad
Prof. Hala Farawela
Prof. Ilham Youssry

14:45-14:57 Nutrition in cancer and Hemoglobinopathies
(Prof. Layla Sherif, Zagazig University)

14:57-15:09 Oxidative stress in patient with Beta Thalassemia major
(Prof. Randa Mattar, Ain Shams University)

15:09-15:21 Occult HBV infection among Beta-Thalassemia major patient in
Zagazig University Hospital children
(Dr. Hossam El-Saadany, Zagazig University)

15:21-15:33 Associated phosphor lipase AZ and Tumor necrosis factor alpha as a
biomarkers of premature atherosclerosis in B-Thalassemia
(Dr. Seham Ragab, Menoufia University)

15:33-15:45 Liver Enzymes in children with B-Thalassemia major: correlation
with iron overload and viral Hepatitis
(Prof. Ola Mostafa, NRC)

15:45-16:00 Coffee Break
Thursday 9th May, 2013

Session IX: The Pediatric & Internal Medicine Hematology Departments of Cairo University: Conjoint Exciting Case Presentation (16:00-17:45)

Chairpersons:

Prof. Mervat Mattar
Prof. Alya Aiad
Prof. Mona Abou El Alla
Prof. Ahmed Kaddah

Voting Session

Session Parallel X (Hall B) (14:00-15:30)

Patients & Dr. Meeting

Chairpersons:

Prof. Amal El Beshlawy
Prof. Somaya El Gawhary
Prof. Ashraf Soliman
Prof. Lawrence Faulkere
Mrs Manal Safwat Shoukry

17:45-18:00 Farewell Lunch
